

General terms and conditions (the 'general terms and conditions')

1. APPLICATION

- 1.1. These general terms and conditions apply to all offers, reservations and agreements regarding all accommodations, hotel rooms, campsite pitches, and other facilities let by the rental agency (as defined below), whether or not acting as an intermediary for the owner (as defined below).
- 1.2. The following definitions are used in these general terms and conditions:
 - **'accommodation'**: a hotel room, campsite pitch, holiday home, bungalow, (safari) tent, or other type of accommodation and/or facility;
 - **'lessee'** or **'you'** means the person who concludes an agreement regarding the rent/use of an accommodation;
 - **'owner'** means the party on whose behalf the rental agency mediates in the conclusion of a rental agreement with you;
 - **'park'** means the park in which a rented accommodation is located;
 - **'regulations'** means the collection of regulations used for a park, in any case including the park regulations and the swimming pool regulations (if and to the extent applicable);
 - **'rental agency'** means Landal GreenParks B.V., Roompot Recreatie Beheer B.V., or one of its affiliates; and
 - **'user'** or **'guest'** means the lessee and any individuals named by the lessee who use or will use the accommodation rented by the lessee;
- 1.3. These general terms and conditions form an integral part of the agreement between you and the rental agency, or, where the rental agency acts as an intermediary, between you and the owner. The general terms and conditions apply regardless of your (prior) reference to any terms and conditions of your own or to any other general terms and conditions. The rental agency rejects any terms to which you may refer or which you use.
- 1.4. When the rental agency acts as an intermediary for an owner, any rights vested in the rental agency under these general terms and conditions are also vested in the owner.
- 1.5. Arrangements deviating from these general terms and conditions will only be valid if agreed upon in writing.

2. CONCLUSION OF AGREEMENT AND RESERVATIONS

- 2.1. The rental agency will only process reservations made online or by phone, and only if made by individuals of 21 years or older. Consequently, reservations made by individuals below that age will not be valid.
- 2.2. The rental agency reserves the right to refuse non-standard reservations, particularly for groups, without stating reasons, or to impose special conditions in such cases.
- 2.3. If the rental agency accepts your reservation for processing, the rental agency will send you a booking confirmation. You should check it for accuracy immediately upon receipt, and promptly notify the rental agency of any inaccuracies.
- 2.4. If you have not received your booking confirmation, you should contact the contact centre immediately; no claims on grounds of the reservation will be accepted should you have failed to do so.
- 2.5. An agreement is established between you and the rental agency, or where the rental agency acts as intermediary, between you and the owner, at the moment the rental agency has confirmed the reservation to you. You explicitly agree that the rental agency acts as an intermediary for both you and the owner. An overview of the parks for which the rental agency acts as an intermediary can be found on the website.
- 2.6. The agreement covers the rent of accommodations for short stay recreational purposes only.
- 2.7. The rental agency reminds you that reservations you make are immediately final by law. A 14-day right of withdrawal (the so-called cooling-off period) does not apply to agreements you conclude with or through the rental agency.

3. BOOKING CONDITIONS

- 3.1. If you book 63 days or more before arrival, the booking terms and conditions that apply to your reservation are as follows:

Item	Condition
Payment	in in two instalments: - 50% within 7 days of booking; and - 50% within 56 days before arrival

Cancellation	- is free of charge within 7 days of booking; - costs <u>50%</u> of the booking fee after 7 days after booking and more than 55 days before arrival; or - costs <u>100%</u> of the booking fee after 55 days before arrival
Changes	- up to and including 56 days before arrival; - from 55 days before arrival upon telephone request, not guaranteed

- 3.2. If you book less than 63 days before arrival, your booking qualifies as last-minute and the following conditions apply:

Item	Conditions
Payment	in one instalment, within 24 hours of booking
Cancellation	- is free of charge within 24 hours of booking; or - costs <u>100%</u> of the booking fee after 24 hours of booking.
Changes	upon telephone request, not guaranteed

- 3.3. Bookings made within 5 days of arrival qualify as super last-minute, contrary to the provisions of article 3.2. In that case, payment of the booking fee must be made immediately in one instalment and free cancellation is not possible.
- 3.4. If your reservation concerns booking of a campsite for the entire season, then, in deviation of article 3.1, the following payment terms apply:
- bookings made before December 1 of the preceding year:
 - 50% on December 1 of the preceding year; and
 - 50% within 56 days prior to arrival; and
 - bookings made after December 1 of the preceding year:
 - 50% within 7 days of booking; and
 - 50% within 56 days prior to arrival.

All other terms and conditions set forth in article 3.1 remain in full force and effect.

4. CHANGES AND CANCELLATIONS

- 4.1. If, after the agreement has been concluded, you wish to make changes to the agreement, you may do so at any time until the time specified in article 3.1. Requests for changes at a later date may only be submitted by telephone to customer services. The request will be assessed and, where possible, approved. However, the request may be refused, for example because the requested change is no longer possible.
- 4.2. Changes to the agreement may expressly include changes to the holiday park and the country of destination.
- 4.3. In any event, regardless of when the request is made, changes are only permitted if the new booking fee is the same or higher. Under no circumstances will a refund of (part of) the booking fee be made. However, a change fee may be charged.
- 4.4. In the unlikely event that the rental agency has to make an amendment to a reservation booked by you, the rental agency will offer you a suitable alternative.
- 4.5. If a cancellation incurs costs, the full administration costs remain payable and form part of the total cancellation costs.
- 4.6. You can insure yourself against cancellation risks by taking out a cancellation insurance when you make your reservation.
- 4.7. Failure to arrive within 24 hours of the intended starting date of your stay without further notice, will be considered a cancellation. In that case, you will owe the full amount of your reservation.

5. SUBSTITUTION

- 5.1. Without the prior written consent of the rental agency, the lessee and other users will not be permitted to allow individuals other than those named in the agreement to use the accommodation.
- 5.2. In case the rental agency has consented to the accommodation being taken over, amendment costs for doing so will be charged. Furthermore, in addition to the replacement lessee and/or users, you will remain jointly and severally liable towards the rental agency for the payment of (i) the outstanding part of the booking fee, (ii) the amendment costs, (iii) any other costs resulting from taking over the reservation, and (iv) any cancellation costs.

6. BOOKING FEE AND PAYMENT

- 6.1. Your payment obligation towards the rental agency amounts to the fee as specified in the booking confirmation of the reservation.
- 6.2. Once the rental agency has confirmed the reservation, your reservation will no longer qualify for price discounts and/or special offers.
- 6.3. In so far as applicable, all prices are inclusive of VAT unless otherwise stated.
- 6.4. The rental agency is entitled to implement and set off price increases resulting from interim adjustments to statutory regulations or provisions (including, but not limited to, VAT, tourist tax, insurance tax) that are beyond the control of the rental agency. The rental agency shall charge any such increase ultimately upon arrival.
- 6.5. If the amounts charged to you are not paid in time, you will be in default immediately upon expiry of the payment term. In the absence of (timely) payment, the rental agency may deny you access to the accommodation. In addition, the rental agency will be entitled to dissolve (cancel) the agreement. Where appropriate, you will be liable for any loss the rental agency suffers or will suffer as a result, including in any case all costs incurred or to be incurred by the rental agency in connection with your reservation and the dissolution of the agreement. Furthermore, the rental agency will be entitled to charge cancellation costs in accordance with the applicable booking conditions as stated in your booking confirmation and article 3.
- 6.6. The rental agency will at all times be entitled to set off any claim against you for whatever reason against any amounts paid by you for whatever reason.

7. EXTRA COSTS

- 7.1. In addition to the booking fee, you also owe the rental agency administration costs, bed linen hire, and (if applicable) tourist tax. The amount of tourist tax is determined by the municipality in which the park is located.
- 7.2. For bookings at parks in Denmark, you will also be due utility costs (water, heating, gas/electricity). The costs for using these utilities will be settled on the basis of actual consumption related to the stay. Consumption is automatically measured (digitally). At the end of your stay, these costs, based on the automatically transmitted meter readings and the rates set by the rental agency, will have to be paid by you at the park in Danish currency. These rates can be found on the rental agency's website and are subject to change from time to time.

8. ARRIVAL AND DEPARTURE

- 8.1. The rented accommodation, other than a camp side pitch, will be available from 4.00 pm on the day of arrival as specified in the booking confirmation and in Denmark as from 3.00 pm. A rented campsite pitch will be available from 1.00 pm. The rental agency has the scope to change the above-mentioned arrival times. On the day of departure as specified in the booking confirmation, the rented accommodation, other than a camp side pitch, is to be vacated before 10.00 am, unless otherwise indicated for a specific park. Depending on the park, rented campsite pitches must be vacated before 11.00 am or noon.
- 8.2. When checking in, all guests are required to provide proof of identity immediately on request. If guests are unable to show proof of identity, the rental agency may decide not to accommodate the guests in question.
- 8.3. If you wish to extend the agreement with the rental agency beyond the agreed duration and the rental agency agrees to this in writing, the rental agency is entitled to allocate a different accommodation to you.
- 8.4. If the use of the accommodation is terminated before the date specified in the booking confirmation, the lessee will not be entitled to a refund of (part of) the booking fee and/or to any payment from the rental agency.
- 8.5. An accommodation, other than a campsite pitch, should be neat and clean before departure (this means the washing-up has been done, all bed linen has been removed, the kitchen and fridge have been cleaned, and the rubbish has been taken out). A campsite pitch should be clean upon departure. If no (mandatory) final cleaning has been booked, the accommodation must be left completely clean.

9. REGULATIONS

- 9.1. All guests must comply with the rules established for the parks, as laid down in the park regulations. All catering services provided at the park are subject to the Uniform Conditions for the Hotel and Catering Industry (*Uniforme Voorwaarden Horeca*). The aforementioned conditions and regulations can be obtained at the reception desk or found online.
- 9.2. The rental agency reserves the right to make changes to the regulations, the organisation, and the opening hours of the park facilities, including partial or total closure of those facilities, without you being entitled to any compensation.
- 9.3. In case of violation of the rules of these general terms and conditions, the applicable regulations, or failure to comply with the instructions from the staff, and/or a serious suspicion that a lessee is acting contrary to the law, public order, and/or public decency, the rental agency may immediately expel you and every guest of your party from the park, without any

entitlement to a refund of the booking fee or part thereof. As a general rule, the rental agency shall first issue an official warning, possibly charging an additional security deposit.

- 9.4. If the park management seriously suspects that a lessee is acting contrary to the law, public order, and/or public decency, the park management will be authorised to gain access to the accommodation in question.

10. PETS

- 10.1. A maximum of one or two pets (depending on the park concerned) is allowed, but solely (i) in accommodations designated for such purpose, (ii) if the pets have been specified at the time of making the reservation, (iii) if the pets are in possession of a European pet passport proving that they comply with the health and vaccination requirements set in the country of the park, and (iv) against payment of a (cleaning) surcharge. Contrary to the above, no (cleaning) surcharge applies for caged pets. Visitors' pets are not allowed. In addition, the rental agency reserves the right to refuse pets (without stating reasons).
- 10.2. Pets are not allowed at/in ponds, swimming pools, restaurants, indoor facilities and other public areas at the park, unless otherwise indicated. In addition, pets must be leashed at all times outside the accommodation. Instructions on site must be followed and pets must not cause any nuisance to other guests.
- 10.3. A basket should be brought along for dogs. Protection against fleas is mandatory for cats/dogs.

11. USE OF ACCOMMODATION

- 11.1. The accommodation is made available to you in good condition. Renting bed linen is mandatory when renting an accommodation other than a campsite pitch, unless indicated otherwise. Should you be of the opinion that the accommodation is not in good condition, please report this immediately at the reception.
- 11.2. An accommodation may only be occupied by the maximum number of guests specified for the accommodation in question on the rental agency's website.
- 11.3. The accommodation may only be used (i) by the lessee and the guests who are part of their travel party, and (ii) for recreational purposes. Temporary or permanent occupation is not permitted.
- 11.4. The lessee is obliged to handle the accommodation and any inventory with care. The lessee and guests will at all times be jointly and severally liable for damage due to breakage, loss, and/or damage to the inventory and/or accommodation. Any damage must be reported and compensated immediately by the lessee, unless the lessee can prove the cause of such damage is not attributable to any fault of the lessee or the other guests of the party.
- 11.5. The lessee and guests are each jointly and severally liable for an orderly conduct in and around the rented accommodation and/or elsewhere in the park, and for the use of the accommodation and the equipment contained therein.
- 11.6. Without being entitled to compensation, the lessee will allow essential maintenance work to be carried out on the accommodation or other facilities during the stay.
- 11.7. For safety reasons, it will not be permitted to place (party) tents near accommodations.

12. INTERNET USE

- 12.1. Depending on the accommodation, the rental agency offers guests internet access via a Wi-Fi network or via cable. The lessee is responsible for its proper use. The rental agency is not liable for any damage/loss as a result of using the internet or breakdowns in the network.
- 12.2. When making use of the internet, each user has to behave in a manner that may be expected of a responsible and careful internet user. They should respect the statutory rules and refrain from behaviour causing nuisance to other internet users or causing damage to the rental agency in the broadest sense. Users will refrain from visiting websites of an unlawful nature or inconsistent with the rental agency's reputation as a provider of accommodations.
- 12.3. In the case of observed or suspected nuisance to third parties and/or (other) internet misuse by any user, the rental agency will have the right to deny the relevant individuals access to the internet, either completely or in part, without any further notice.
- 12.4. The lessee will indemnify the rental agency against any third-party claims for compensation of damage/loss for which those third parties might in any way seek recourse from the rental agency, to the extent that such claims are based on the use made by the lessee and co-users of the internet.

13. FORCE MAJEURE AND MODIFICATION

- 13.1. In the event that the rental agency is unable, temporarily or otherwise, to perform the agreement in whole or in part due to force majeure, the rental agency may submit a modification proposal (for other accommodation/different period etc.) within 14 days of becoming aware of the impossibility of fulfilling the agreement. Suspending the fulfilment of the rental

agency's obligations is permitted if circumstances arise that are beyond the rental agency's control. Under no circumstances will the rental agency be obliged to compensate any damages or costs.

- 13.2. Force majeure on the part of the rental agency exists if the performance of the agreement by the rental agency is hindered in full or in part, temporarily or otherwise, due to circumstances beyond the rental agency's control, which include war risk, government measures, staff strikes, blockades, fire, flooding and/or other disruptions or events.

14. TERMINATION

The rental agency will at all times be entitled to terminate the agreement with immediate effect if your personal data and/or those of other users are incompletely and/or incorrectly stated when making the reservation. In such cases, the booking fee or any part thereof will not be refunded.

15. LIABILITY

- 15.1. Using the accommodation and any one of the facilities and services at the park is at one's own risk. The rental agency does not accept any liability for theft (including theft from bungalow safes and swimming pool lockers), loss of or damage to goods or individuals, of any kind whatsoever, and regardless of the cause thereof, during or as a result of a stay at a park and/or the rent/use of an accommodation of the rental agency, except in case of an intentional act or gross negligence on the part of the rental agency or (one of) its employees.
- 15.2. The rental agency will not be liable for service disruptions or defects in services provided by third parties.
- 15.3. The lessee and each user is jointly and severally liable for any loss of and/or damage to the rented accommodation and/or other property of the rental agency that arises while being used by you and/or other users, irrespective of whether this is the result of acts or omissions of yourself and/or third parties who are at the park with your permission.
- 15.4. The lessee indemnifies the rental agency against any third-party claims for damages resulting from any act or omission of yourself, other users, your travel companions, or third parties who are at the park with your permission. Any violation of applicable laws and regulations is understood to be included in the above.
- 15.5. In the event of incorrect use or failure to leave the accommodation in the right condition, including but not limited to it being excessively dirty, additional costs will be charged, which you will be obliged to pay immediately.

16. COMPLAINTS

- 16.1. Despite the care taken and effort made by the rental agency, you might feel you have a justified complaint in respect of your holiday accommodation. Such a complaint should initially be lodged immediately and on site with the park management. Should the complaint not be dealt with to your satisfaction, you will have the opportunity to submit the complaint in writing within 1 month after the departure date. The complaint, stating reservation number, name and address, date of stay, the name of the park and the accommodation number, should be send to:

 - the *Geschillencommissie Recreatie in Den Haag* (www.degeschillencommissie.nl), for guests from the Netherlands; and

- 16.2. Decisions of the Disputes Committees will have the effect of a binding opinion.
- 16.3. In the event that the rental agency acts as an intermediary for the owner, the rental agency cannot accept any liability for your complaint. When the rental agency assists in resolving your complaint, it does so solely as an intermediary for the owner. The rental agency is not liable to you for any refund and/or compensation.
